

# LEEISA INC

*Global Solutions for Scientific & Diagnostic Laboratories*

## OUR COMPANY

LEEISA INC. was incorporated in 1993 to bridge the gap between US companies and services, and the emerging world market by providing laboratory equipment, chemicals, supplies and support services.

We provide the complete source for all your company or organization needs to set up and operate any size laboratory in the areas of quality control, education, research & development and medical diagnostics. We work with leading US manufacturers, taking their latest technologies and products to destinations around the world.

We are strategically committed to serving the emerging worldwide markets, with focus on the long term. Our over 75 combined years of active involvement in these markets affords us deep understanding of the needs of their companies and institutions. We believe in the potentials that exist in these large, diverse markets and have committed resources to study and understand them.

At Leeisa Inc., quality is our hallmark. Customer satisfaction and loyalty are our goals.

## OUR MISSION

To deliver premium scientific products and services for effective development of science and technology worldwide.

## OUR MAXIM

Leeisa's corporate maxim is "getting it right every time" We deliver the right solution for the application.

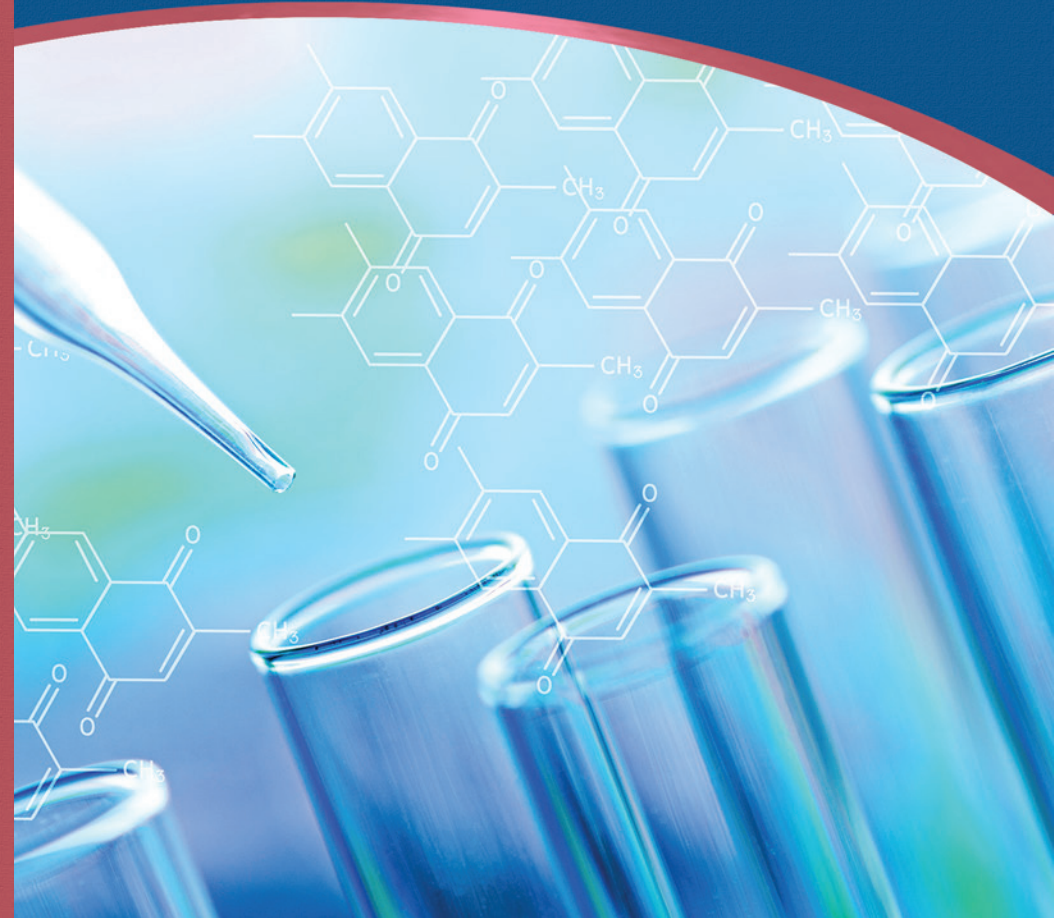

## OUR CORPORATE AND SOCIAL RESPONSIBILITIES

At Leeisa we take our involvement in the local community very seriously. We support many educational programs and private charities.

## WE PROVIDE

- Quality products and services from the United States to fully equip different kinds of laboratories.
- The complete source for all you need to set up and operate your laboratory, from large state of the art equipment to the little reagent bottles.
- Highly motivated professionals committed to excellence in delivering services for utmost customer satisfaction.
- Fast and responsive processing of orders.
- A wealth of experience and in-depth knowledge of emerging markets.

### BUSINESS SUPPORT SERVICES

- Prompt response to inquiries
- Customer satisfaction through excellent order handling and delivery
- Expert in handling of temperature sensitive (Cold-Chain) products

### VALUE ADDED SERVICES

- On time Door-to-Door delivery of orders and in perfect condition.
- Uninterrupted availability of Reagents and Chemicals to customers' laboratories, where and when needed, through intelligent stocking and proper handling of Live organisms and sensitive cold-chain products.

### GENERAL SERVICES

Our vast experience in procurement and export means that over the years we've regularly gone beyond the expectations of our clients to provide the services they need to take the next step.

### EXPORT SPECIALISTS

Our team has extensive experience in dealing with the red tape that surrounds the export of scientific products – including potentially hazardous chemicals. Whether you're ordering a consignment of test tubes or a container full of lab equipment; we will take care of everything from initial order through to payment and delivery of your goods, on time and in great condition.

### A TRUE 'ONE-STOP SHOP'

Leeisa has a vast expertise in working to design solutions to meet our clients' needs and requirements; from individual fume cabinets to complex full laboratory design. Leeisa can arrange training for your staff on how to use your new facilities. We also organize ongoing service and maintenance contracts with a full **Service Level Agreement (SLA)** in collaboration with our partners.

## PRODUCTS AND SERVICES

LEEISA INC. equips laboratories and provides supplies for:

- Scientific and Research Institutions
- Food and Drug Administration Agencies
- Pharmaceutical Companies
- Health Care Facilities and Medical Diagnostic Laboratories
- Educational Institutions
- Food and Beverage Companies
- Agricultural Institutions
- Petroleum Producing Companies
- Petroleum Processing Companies
- Petrochemical Companies
- Mineral Prospecting and Mining Companies
- Quality Control Laboratories

### ANALYTICAL INSTRUMENTS

#### MASS SPECTROSCOPY (MS)

LC/MS, IC/MS, GC/MS, GC/MS/MS, ICP/MS

#### SPECTROSCOPY

Atomic Absorption, Spectrophotometer, Near Infra-Red, UV/Visible

### CHROMATOGRAPHY

Gas Chromatograph (GC), High Performance Liquid, Chromatograph (HPLC), Ion Chromatograph (IC), Ultra High Performance Liquid Chromatograph (UHPLC)

We also offer:

### PETROLEUM AND MATERIALS TESTING INSTRUMENTS

Chronometers, Density Meters, Friction Testers, Total Acid Number (Tan) Analyser, Viscometers

### CHEMICALS

Reagents and Media

### LABORATORY FURNITURE AND BENCHING

Furniture and Workshops, Fume Hoods and Safety Cabinets

### LABORATORY SUPPLIES

Glass-wares, Plastic-wares, and Metal-wares

## HOW CAN WE ASSIST YOU?

We provide everything you require to equip your new science and medical diagnostic laboratory.

When you need to update your existing laboratory, we draw from our extensive database of resources to offer the right products and equipment to suit your needs.

For those hard to find items that you must absolutely have in your laboratory, Leeisa, Inc. can find them and deliver them to you.
